

Seasons

Winter is here,
It is that time of year.
Spring and summer aren't here today,
But I hope they are on their way.

Winter is cold,
And it is getting old.
Spring and summer are hot,
Winter is not.

Winter brings snow,
It is quite a show.
But it is annoying to shovel,
And likes to turn into puddles.

Spring brings rain,
Which is not a pain.
Pollen starts falling,
Which makes me go Balling.

In the summer I go to the pool,
I wish we never had to go back to school.
I love going to the pool,
The water feels so cool.

All the seasons bring a lot of fun.
snow, rain, leaves, and sun
