

A Thanksgiving Day

As dusk begins to set.

Mom prepares a Thanksgiving feast.

While Dad, brother, uncle, cousin, play some
football in the wet grass.

As they huff and puff and scream and laugh.

Mom comes out and says " It's time to eat! "

Everybody comes inside.

To have a nice big Pumpkin Pie!

As they sit down to say grace.

They start to shove food in their face.

Yes, its a good thanksgiving tonight.

As they all settle down to say goodnight.
