

Trusting  
By Liliana Rinaldo

Sometimes it's hard to believe  
I struggle to succeed  
Sometimes I feel so low but  
I still go with the flow

I have to keep trusting myself  
I have to keep believing  
I have to keep on trusting  
trusting, trusting

I can't make up my mind  
Cause there's not enough time  
I have so much stress  
I'm just a mess

I have to keep trusting myself  
I have to keep believing  
I have keep on trusting  
trusting, trusting
